18. I have reviewed the declaration of K.W. Gardner, which is submitted concurrently with my declaration. In his declaration, Mr. Gardner identifies the product names of Exxon gasoline that likely contained MTBE. Based on my review of the information contained in Mr. Gardner's declaration and my knowledge of the type of information contained in Exhibits 1 through 11, the highlighted deliveries contain one of the product descriptions identified in Mr. Gardner's declaration, indicating that these deliveries likely contained MTBE.

19. Other than the relationships and deliveries identified above, a review of historical and current databases has found no record of deliveries of gasoline by Exxon Corporation/Exxon Mobil Corporation to any other Site.

20. No one employee of Exxon Mobil Corporation today can provide complete responses to the request. These responses were compiled by counsel for Exxon Mobil Corporation. Based on matters that have been made known to me for the purposes of this Declaration, I state that I am informed and believed that the matters stated herein are true and correct.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed April 21, 2011, at Fairfax, Virginia.
